

Biography

Dr. Su Phyo Aung is a consultant dermatologist with over a decade of experience in Dermatology. She is the founder and medical director of Clinique De Skin Dermatology and Laser Clinic, Yangon, Myanmar. She earned her M.B., B.S. degree from University of Medicine 1, Yangon, Myanmar. Her interest in Dermatology led her to pursue “Diploma in Dermatology & Dermatosurgery” from Institute of Dermatology, Bangkok, Thailand. After completing her diploma in Bangkok, she worked as Trainee Dermatologist at Guy’s and St. Thomas’ Hospital, and completed her Master of Science (M.Sc) in Clinical Dermatology from St. John’s Institute of Dermatology, King’s College London. She is the active member of many local and international aesthetic and dermatologic communities and has organized DASIL scar symposium in Yangon, Myanmar in 2019. Her areas of interests are dermatosurgery, laser and cosmetic procedures.
