

Alexander S. Donath, MD, FACS, is a double-board certified facial plastic surgeon and founder of Donath Facial Plastic Surgery in Cincinnati, Ohio (USA), a practice which is dedicated to excellence in facial cosmetic and reconstructive plastic surgery as well as nonsurgical aesthetic procedures. Dr. Donath has lectured in the US and internationally on facial rejuvenation, has been published in leading peer-reviewed aesthetic journals, has authored multiple book chapters in the field, and has helped educate the public on aesthetic procedures through multiple media appearances. Dr. Donath is also a national trainer for Allergan and Galderma and is an active principal investigator in clinical research in aesthetics. Dr. Donath has been honored as a Top Doctor nationally by Castle Connolly and in Cincinnati Magazine from 2012-2020.
