In the event of such restriction or eviction, the Congress organizers are not liable for any refund of exhibit fees, or any other exhibit related expense.

Application for Space. Application for space shall be made in writing on the official application form.

Assignment of Space. Exhibit space is assigned on a first-come, first-served basis. Full pre-payment is required prior to space assignment. DASIL will make no refunds after Monday, September 2, 2019.

Failure to Occupy Space. Space not occupied by the close of the exhibit installation period will be forfeited by the exhibitor, and this space may be resold, reassigned, or used by exhibit management. If the exhibitor is on hand, exhibit management reserves the right to assign labor to set up any display that is not in the process of being erected by the given deadline. The exhibitor will be billed and is responsible for all charges incurred.

Floor Plan. All dimensions and locations shown on the official floor plan are believed to be accurate. Exhibit management reserves the right to make such modifications as may be necessary to meet the needs of the exhibitors and the exhibit program.

Cancellation of Congress and Exhibition. If the Congress organizers should be prevented from holding the Exhibition by reason of any cause beyond its control (such as, but not limited to damage to buildings, riots, labor disputes, acts of government or acts of God) or if it cannot permit the exhibitor to occupy the space due to causes beyond its control, then the Congress organizers have the right to cancel the exhibition with no further liability to the exhibitor other than a refund of space rental less a proportionate share of exhibition expenses.

The exhibitor services kit outlines prices and instructions for securing special lighting, wiring, water, gas, telephone or other special work. The exhibitor services kit will be mailed to exhibitors shortly after receipt of the enclosed completed exhibit space application/contract.

Restrictions on Use of Space. No exhibitor shall sublet, assign, or share any part of the space allocated without the written consent of the Congress organizers. Solicitations or demonstrations by exhibitors must be confined within the bounds of their assigned space. Exhibits, signs and displays are also prohibited in any of the public areas or elsewhere on the premises of the meeting facilities or in the guest rooms or hallways of the hotel. Operation of sound devices is allowed if the exhibitor complies with exhibit management discretion on volume. Any firm or organization not assigned exhibit space will be prohibited from soliciting business at the exhibition.

No display material exposing an unfinished surface to neighboring exhibits or aisles will be permitted. Exhibitors wishing to use other than standard booth equipment, signs, or materials that in any way conflict with regulations must submit two (2) copies of a detailed sketch of the proposed layout at least 45 days prior to the exhibition, and must receive written approval from exhibit management.

Care of Exhibits. Nothing shall be posted on, nailed, screwed, or otherwise attached to columns, walls, floors or other parts of the building or furniture. All materials used in the exhibit area must be flameproof and fire-resistant in order to conform to the local fire ordinances and in accordance with regulations established by the local fire department. Crepe paper or corrugated paper, flameproof or otherwise, will not be permitted. Excelsior or other paper is not to be used in crating merchandise. Display racks, signs, spotlights and special equipment must be approved before use, and all displays are subject to inspection by the fire department. Any exhibit or parts thereof found not to be fireproof may be dismantled. All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed.

Protection of the Hotel Building. Exhibitors will be held liable for any damage caused to the hotel property, and no material or matter of any kind shall be posted on, tacked, nailed, screwed or otherwise attached to columns, walls, floors or other parts or portions of the hotel building or furnishings. Whatever may be necessary to properly protect the building, equipment or furniture will be installed at the expense of the exhibitor. If any controversy arises as to the need or propriety thereof, the convention service manager of the hotel will be the final judge thereof and his/her decision shall be binding on all parties concerned.
